Re: U.S. Patent Application of New Product Guys, Inc.
Appln. No. : 10/628,669
Filed : July 28, 2003
Title : MEDIA HOLDING DEVICE
Our File : N322.12-0001

Dear Keith:

We have received unofficial notification indicating that the U.S. Patent and Trademark Office has assigned Application No. 10/628,669 to the above-identified application. It was filed on July 28, 2003. We have not yet received the official filing receipt.

Now that this application is on file with the U.S. Patent and Trademark Office, products covered by the application can be advertised to be "Patent Pending", or "Patent Applied For". This marking can be continued until a patent is granted or the application is finally abandoned.

If you are or become aware of any prior art that is material to the patentability of this application, you should promptly call it to our attention. By doing so, we can satisfy the continuing duty to bring material prior art to the attention of the U.S. Patent and Trademark Office.

It may be twelve months or more before we receive an action from the Examiner. When we do, we will notify you.

Yours very truly,

Brian R. Morrison
